

CRUCIBLE TURBINE RATIFICATION SHEET

Group 05 | Project Orbit | PRID Framework

Document Status: PENDING RATIFICATION

Supervisory Directive

This document records the official roles and duties for Project Orbit. As the Supervisor (PRID_1), I am setting clear boundaries for each team member to ensure project security and organization. Every member must follow the rules listed below and stay within their assigned work area.

Supervisory Designation (Reserved)

The following role is fixed and held exclusively by the Project Architect.

ID	Assigned Member	Core Responsibilities
PRID_1	Aditya Sadhu ✓	Supervisor: Final project approval, security architecture, and merging all system modules.

Consolidated Team Ratification

The following roles are mandatory for the Project Orbit ecosystem. By ticking the box and signing your name, you acknowledge your assigned duties and agree to follow the security protocols.

ID	Role	Key Responsibilities	Full Member Name	Tick
PRID_2	Auditor	Tracking code precision, security audits, and log management.	Rohit Kumar Pandit	☒
PRID_3	Designer	Building UI layouts, static assets, and frontend cleanup.	Khushi Jamwal	☒
PRID_4	Integrator	Connecting modules, managing extensions, and fixing conflicts.	Vansita Rakwal	☒
PRID_5	DBA	Database schema design, data flow, and core/db security.	Shravan kumar	☒

Security Protocol

1. **Work Zones:** Access is strictly restricted to your assigned PRID folder.
2. **Access Rules:** Unauthorized file modifications will be automatically blocked.
3. **Final Say:** PRID_1 (Supervisor) holds exclusive authority for final merges.

Final Ratification & Sign-off

Aditya Sadhu ✓

Aditya Sadhu (PRID_1 Supervisor)
